Stedman Community Development Club NEWS

CARROLL'S IGA AND SCDC ANNUAL FOOD BANK REPLENISHMENT DRIVE

In normal years, the Year End Holiday Season puts a great deal of stress on food banks, and certainly 2017 was no exception. It is the time to restock the local food banks, and for eight years now the Carroll Family and employees at Carroll's IGA, the Stedman Community Development Club (SCDC) and many community volunteers have worked together to do so.

We are pleased to tell you that we are prepared to work our program again this year, and we ask that each of you reading this article help make it a very successful campaign. Some important information for you:

Program Dates: Saturday, January 20th through Sunday, February 18th

Where: Carroll's IGA, located at 7431 Clinton Road, in "metropolitan, down town" Stedman

The Program: We select a menu of food items which form a balanced meal for a family. We provide you the opportunity to donate a half case or a full case of any of the menu items. You may also make a cash donation of any amount you wish. **All donation transactions are made with the cashiers at Carroll's IGA, and you receive a receipt immediately.** At the end of the program, we add up the food donations and use the donated money to purchase additional cases to balance out the quantities in a one-time purchase at the very special cost Carroll's provides us.

Distribution: When the donation time is over and Carroll's IGA has received the newly purchased food, we divide each of the items into two equal portions. One portion each is then donated to the Cokesbury United Methodist Church and the other to the Bethany Church of God of Prophecy to inventory and to provide to those in need.

Past Results: To help you understand how important this program has been, our Community donation in February of 2013 was a total of 203 cases of six food items. The donations have grown almost every year and the Community donation in February of 2017 was 68 cases of each six food items (a total 408 cases) and a total donation value of \$7,100.

How Can You Help?: First, and easiest to do, is just tell your Carroll's IGA check-out person that you wish to make a food-bank donation and how much it is. That amount will be added to your bill, and, of course, you are encouraged to do this every time you visit Carroll's during the program.

Second, you may obtain a copy of the donation menu, select a food product or cash amount from the menu and, as above, give it to a check out employee when you visit or shop at Carroll's.

Third, you and your friends, family, co-workers, class mates, civic or church group members, scout troop, or others may develop your own money raising project to support the drive. When you've finished, take the funds to Carroll's and give it to a check out person. If you're willing to be recognized for your project, please send the SCDC News the name of your group, and we'll include you in our thank you article in the next edition. Fourth, you may volunteer to be a "greeter" in front of Carroll's. We know that when there is a person greeting Carroll's customers, handing out menu cards and quickly explaining the program, that donations are much higher than comparable times when there is no greeter. It is often cold and windy standing out front, but the results are well worth the discomfort.

Food Donation: Please note that we are talking about the donation of cases of food, and the food will be newly purchased, so there is not a shelf-life or an expiration date concern with any of the food. The items we purchase will be a hearty soup, a meat stew, a canned meat (chicken), a canned vegetable, rice, and a canned fruit. The canned meat and vegetable items only need to be heated to be ready to serve.

SCDC Contact: You may call Jess Hall at 910 483 1902 for any assistance we can provide.

Thanks In Advance ... and we do hope to see you at Carroll's IGA!

SCDC CHILI EVENT RESULTS

On November 4, 2017, the SCDC held our first Chili Event and we wish to share with you the results and conclusions.

The Event concept was fairly simple ... we asked ten (10) individuals, businesses and groups to provide (at their expense) three gallons of their favorite chili recipe and to sell their chili to folks in two sizes ... a 2 ounce test / taste size and an 8 ounce bowl size. Our customers purchased \$1.00 "currency" tickets, and each ticket provided for one vote. The "best" chili was the one that received the most votes!

The volunteers Chili Chefs were: Barbara Blackmon, Heather Canet, Betty Carr & Alisa Brown of House of Hair, Allen Carroll & employees of Carroll's IGA, Richie & Patty Crumpler of Crumpler's Automotive, the Culbreth Family, Martha, David & Durema, Ronald Gentry served by Roberta Harris, the Girl Scouts (several very involved families), the Ellen Hall family, and Jennifer Horne & Nicole Arnette.

Betty Carr also contributed the excellent Cornbread!

To each of them, we extend our most sincere Thank You ... all the chili was really outstanding!

We also were the beneficiaries of donated and outstanding Baked Goods ... Thank You!

Good news and less good news ...

Those who attended our "event" seemed to really enjoy the chili and the tasting and most commented that they would be pleased to come again. Our most serious evaluation is that the event was reasonably well organized and it appeared to be a social success. However, it was not a financial success when compared to the historical meal based fund-raisers that the SCDC has held. Total revenue was only \$1,250.00 and while all the food was donated, there were other expenses.

Our volunteer Chefs took home a lot of chili, but those who commented about the event said it was fun and they will be pleased to do it again. We also had several people offer to cook for the next Event!

Our "excuses" for the poor financial results were many, and likely some of them are accurate ... but the bottom line is that we needed another 150 plus folks to come and eat with

us. And ... we really needed an organized chili "take home" capability which we did not pre-arrange. Lessons Learned ... By the way ... Betty Carr won the vote for Best Chili, and was awarded an embroidered Apron as a prize!

Two more points:

We plan to hold the Chili Event again this November 3rd and will share more about it with you as the time gets closer, so please mark the date on your calendars and join us ...

We really need to figure out a better communications and advertising process for the event this year, so if you have marketing communications skills and / or suggestions, please share them with us.

To all who joined us, we say Thank You!

FISHER CEMETERY INFORMATION

As a reminder, the Stedman Community Development Club which publishes this newsletter also administers the Fisher Cemetery located on Magnolia Church Road, just north of the new Highway 24.

Effective in January of 2018, the Cemetery Rules and Regulations which have applied to the newly developed section of the cemetery since 2005 will also apply to the original cemetery grounds. If you have any questions about what these Rules and Regulations are, we ask that you contact either Jess Hall at 910 584 3131 or Ronald Gentry at 910 850 4672 to obtain a copy and to discuss them.

We also remind you that now is a good time to consider a family compound in the newly opened north cemetery section. There are many parcels available there, so there is a great deal of location flexibility available to you. Families wishing to purchase four or more parcels may also request that a payment schedule be established. The parcels are \$500.00 each.

We are working on seeding plans to re-establish a quality lawn appearance in the old section of the cemetery. As has been reported to you, the ground pearls have badly damaged the original grass, and likely will continue to do so.

Thank You for your consideration.

HELP NEEDED ... CAN WE TALK?

The Stedman Community Development Club needs some help ... volunteer help ... no salary available!

The help is in three categories ...

Our SCDC WWW Home Page is down and we have lost contact with the volunteer who set it up for us originally. It is probable that the reason it is down is that a host fee has not been paid. We have received no invoice to pay, and believe our original very talented and creative volunteer paid it for us for a period of time. It is possible that the site can be re-activated, but we do not know how to do so. Do You? If you have web site development and maintenance skills, and are willing to help us ... please let us hear from you ... Please!

The SCDC needs new members. Please consider what we do in the Community. We organize the January / February Food Bank Replenishment Drive at Carroll's IGA; we own, maintain, manage and rent the Stedman Community Building, for what is essentially a break-even price; we administer the Fisher Cemetery; we publish a Community Birthday calendar; and we have published this Newsletter six times each year for nearly 11 years. We are sound financially, so we are not seeking new members for financial reasons. We are seeking new members to spread the existing tasks and duties and to expand the activities we support. The SCDC meets the second Monday evening of each month at the Stedman Community Building, 335 First Street ... where most of you vote ... at 7:00 PM. Please join us and learn about us ... and consider joining us!

We seek advice and coaching on how to improve our communications process within the Community. A potential is to create a Facebook Business site to either supplement or replace the WWW Home page discussed above. Do you have skills or experience establishing such a function? We would like to hear from you ...

Again, The Stedman Community Development Club seeks volunteers ... people willing to participate actively and constructively in community based programs. Please consider how you can help.

Thank You ...

STEDMAN MUNICIPAL ELECTION RESULTS, NOVEMBER 7, 2017

Martin (Mardy) Jones was elected Mayor, and Jon Wayne Mosley and Paul Pirro were elected to serve on the Stedman Board of Commissioners. They will be (were) sworn in at the January 4, 2018 Board of Commissioner's Meeting.

The Town of Stedman registered voter count for this Municipal election was 936 citizens, and 204 of them actually voted, for a turn-out of 21.8%. This compares favorably to the total Cumberland County turn-out of 16.5%.

There were questions about the year 2007 Municipal Election voter turn-out numbers we published in the last SCDC News edition. We reported 207 people casts ballots that year, by far the highest votes cast number in the chart we provided. The 207 count is also higher than the decade later 2017 election count. We checked the data and determined that there was a Cumberland County wide sales tax referendum on the 2007 ballot which allowed for all registered voters in the Stedman precinct to vote, but only Town residents could also vote for the Town Board of Commissioners positions. So, the data is correct, but it does include voters outside the Town limits who voted only on the tax issue. Most likely the Municipal voter

turn-out in the 2007 election numbered in the mid to high 60s. Bottom Line: a count of 204 Stedman Municipal Election voters is well above the next highest number of 124 voters. And ... 204 voters is three plus times higher than the number who voted in 2007!

AROUND THE COMMUNITY

By: Kristen Prater

This holiday season has really flown by. So much so, that I almost missed my deadline! Yikes!

I reached out to several local businesses over the holidays, and the response was the same. They were excited about the holidays and very appreciative of everyone who shopped local for them. Being a Stedman native, I am very proud of what our "small town" has to offer.

There is one new business coming to town the first of the year though! It will be located on Wade Stedman Road, in the old South River Electric building. Local business owner, Joe Bullard, of Piedmont Land Management Inc. has already been working out of that location, but is looking to expand. He hopes to have his newest business open by the time this newsletter is out! The business will be Beeline Automotive and Performance. He will offer an auto service shop that will consist of tires and oil changes, along with selling race engines and high performance auto parts. Joe has extensive knowledge in this industry. He was an engine builder and engine tuner for 15 years, working for Dale Earnhardt Inc, Roush Yates racing engines, and TRD's cup program. He retired as the engine tuner on the #3 cup car at RCR. So to say that he was born to serve in this industry is an understatement. We would like to wish Joe the best of luck in his new business, and are glad that he chose to bring this opportunity to Stedman.

Remember, if you have any business announcements or upcoming events, please contact me at kristenprater@icloud.com or at 910 483 5111. I'd love to meet with you.

By the way, we encourage you to review the Rail Road Restaurant advertisement in this issue. Good food and a special discount are available eleven (11) miles east of metropolitan Stedman to all SCDC News area residents. Check it out!

U-14 STEDMAN HEAT SOCCER TEAM SUCCESS

By: Coach Bryan Turcsanyi

Here is some general information about the U-14 Stedman Heat Soccer Team that won the U-14 Cumberland County Championship.

Team Members:

Clint Brinkerhoff, Cody Fancher, Connor Fisher, Isaih Fisher, Alex Martinez, Armando Martinez, Christopher Stephens, Ryan Turcsanyi, Hayes Wheeler, Dawson Willaford, Hayden Willaford, and Matthew Woolard.

These young men formed the U-14 Stedman Heat Soccer Team that represented the Stedman Community. At our first practice, I (coach) asked the team to come up with 3 goals to set forth to work towards and how we would accomplish them. These young men understood that they would need discipline, consistency and hard work as a team to accomplish these goals and they were successful. The 3 goals were:

To win the county championship – 8 out of 12 players played in last year's championship game but fell short in penalty kick shootout by ONE!

To go undefeated the entire season – 10-0

To hold every opponent scoreless. (held every team in the regular season scoreless 34/0 goal ratio)

All of these young men played for another team or sport such as school or travel ball also. From my understanding, U-14 has never won the county championship for Stedman.

This is why it is so important for the community to support our athletics program. The U-14 does not HAVE a regulation size field to practice on. The only time the team would play on one is on game day at Max Abbott Middle School.

Editor's Note: Congratulations Stedman Heat! Great Job, Well Done!

STEDMAN VOLUNTEER FIRE DEPARTMENT BOARD OF DIRECTOR'S MEETINGS

The Stedman VFD Board of Directors met Tuesday evening, October 17th, and our notes are:

The Directors reviewed the Department's finances and approved them for accuracy. It is early in the financial revenue year and the tax revenue is slow; spending however is as expected.

It was noted that the Department did receive an additional \$1,900 in insurance benefits for the extensive repairs recently completed and that the Department had taken advantage of low fuel prices by buying and storing diesel in a newly finished fuel trailer.

FY 2018 Officers were elected: Andrew Maykovich is President, Kevin Carroll is Vice President, Dan Hayes is Treasurer and Keith Royal is Secretary.

Chief Nobles' Report:

*The Department had responded to 372 calls for the calendar year ending in August.

*All the Air Pack breathing devices have now been tested and approved for use ... an expense of \$1,400.

*The 30KW portable generator was used to support Harvest Day activities; it worked well.

*The Department is working on school lock-down planning with Stedman Police Chief Stocks.

*Staff members met with Governor Roy Cooper related to the water rescues the Department achieved during Hurricane Matthew.

*The Department was also recognized for its Hurricane Matthew

rescues by a recent article in the Fayetteville Observer.

*A new awning has been added to the front of the building.

*The Department received 11 used radios as a donation from the NC Highway Patrol.

*The Department is selling shirts to raise money for the Friends of Cancer Center.

*The Department has received more positive publicity for painting a fire hydrant Pink in support of women's health issues ... and other NC Departments are now doing the same.

*The Chief is coordinating a date to visit the Half Moon VFD regarding the new truck.

The Stedman VFD Board of Directors met Tuesday evening, November 21st, and our notes are:

The Directors reviewed the Department's finances and approved them for accuracy. The tax payers are beginning to pay their 2017 year taxes, and it shows in the revenue received by the Department. Total income for the Department was \$10,481.54 in September and \$46,975.22 in the month of October.

Chief Nobles' Report:

*Chief Nobles completed a five day class at Sampson Technical. The class was a Type 3 All Hazard Incident Management Class.

*The used NC Highway Patrol radios donated previously are now in service.

*Shirt sales have resulted in over \$4,000 being donated to the Friends of Cancer Center.

*The Christmas Trees have arrived ...

FYI ... the Christmas Trees sold out fairly quickly and a sincere Thank You is extended to the Community!

STEDMAN BOARD OF COMMISSIONER'S MEETINGS

The Stedman Board of Commissioners (BoC) met Thursday evening, November 2 at the Stedman Town Hall ... notes from this meeting are:

The family of former Commissioner John Pat McCall was presented with a proclamation from the Office of the Mayor honoring John Pat McCall's years of service and proclaiming May 19, 2018 as "John Pat McCall Day". Mayor Pro-Tern Martin L. Jones also presented the family with a plaque dedicated to Mr. McCall which is inscribed with his photograph.

Former Mayor, Billy Horne and his wife Fay read a letter of appreciation to the Town of Stedman, all current and former members of the Town Board and all current and former employees thanking them for their service and commitment to the Town.

Caleb Sherzer from Boy Scout Troop 701 which meets at Cokesbury United Methodist Church spoke regarding an Eagle Scout project he would like to erect in the Ernest Freeman Town Park in Stedman. His project will be a Free Little Library that will encourage young people to read by allowing them to take a free book and return or replace that book with another book.

The Commissioners approved the request.

The BoC accepted a proposal for new computer equipment presented by Southern Software and the purchase was approved.

The BoC considered various map cabinets for the Town Hall. Determination was made that the Town will require a base unit as well as a map cabinet for future capacity and the unit can be placed in the kitchen. Authority was given to the Town Clerk to order the unit that meets capacity and offers the best financial deal.

A draft Request for Quotation (RFQ) for Engineering Services was presented and discussed. The Draft contains several sections including a statement of qualifications for engineering firms interested in future projects, submittal of packages, project description and an evaluation matrix for selecting the engineering services best suited for any project. The dates, engineering firms and scope of the project will all be determined at a later date by the Board. The BoC approved the draft. Attorney Tim Smith, stated there is Attorney Tim Smith, stated there is still no agreement with the County to enforce the Town of Stedman Codes. We are waiting for the County Attorney to sign off on the agreement with the Town of Stedman and nothing else can be done until this is accomplished.

Commissioner Raymes raised the issue of a 1972 plat map of the Rosewood neighborhood which includes a 20 foot easement for a drainage ditch that may not be necessary. She has been approached by neighbors in the subdivision that would like a variance for this 20 foot easement as it inhibits their ability to erect storage buildings on their property. Commissioner George had questions concerning future liability for the

Town if this easement is granted. He asked about property owners perhaps signing a waiver. Commissioner Stewart also expressed concerns regarding granting a variance for the 20 foot easement. Attorney Tim Smith spoke regarding the legality and procedures involved with granting the variance and possibly changing the easement and suggested tabling

the issue until he can gain further information regarding the situation. The matter was tabled for further review while more information is gathered.

Commissioner George led discussion concerning the need to create and prioritize a list for street resurfacing and storm drainage needs for the Town. The list will be needed for the RFQ in seeking engineering services for the Town and addressing short and long range projects. Commissioners Raymes and Stewart spoke about the ongoing issues with the streets and drainage issues and the concerns of citizens within the Town about these issues. Creating the list and assigning priorities was approved.

Town Clerk reported that the minutes for the August and September town meetings have been added to the Town website. She attended Southern Software training in Southern Pines on October 25 and 26 and found this very helpful.

Bob Stocks, Chief of Police, reviewed the fox incident that occurred on October 10. He was called at 7:09 AM while patrolling and rendered aid. The fox tested positive for rabies, but there have been no further incidents. There have been 87 events during October which is low. He will have completed all yearly in-service training as of Monday when he finishes up his last 4 hours.

Stedman VFD Chief Nobles advised that they have responded to 460 calls this year and have completed 2,480 volunteer hours of training. They have also completed 796 hours of public education within the community. Last year, the Fire Department "Pink Shirt Campaign" raised \$750 for the cancer center and this year they have raised \$3,100.

Mayor Pro-Tern Jones advised that he has spoken with Mike Gibson from Parks and Recreation and received a list of items and a FY2018 budget of \$339,000 that is available to the Town of Stedman. One of the items on the list is a possible splash pad that brought on discussion concerning liability. Attorney Tim Smith stated that liability would most likely be the Town and the County in the event that there was an injury. Commissioners Raymes and George asked for feedback from the Town on items they would like to see the Parks and Recreation budget to include as Mayor Pro-Tern Jones said the items on the list are at the Town's discretion and can be used as the Town desires.

Mayor Pro-Tern Jones read a letter from McFayden and Sumner, CPA's concerning the Town's financial status. The firm is currently working on the 2016- 2017 audit for the town and the letter addresses past and current audit and budget information.

The BoC met Thursday evening December 7th, and notes from the meeting are:

Delores Taylor representing Cumberland County Community Development spoke regarding services and programs available to help people in need throughout the County. Cumberland County Community Development is a county agency that receives funding through the US Department of Housing and Urban Development. They offer several types of assistance to help low income households including home-buyer assistance, housing rehabilitation, affordable housing programs as well as business loan programs and funding for the expansion of programs that provide needed services within the community. She also advised that there are still funds available to help home owners with Hurricane Matthew

damage.

Attorney Tim Smith, stated there is still no agreement with the County to enforce the Town of Stedman Codes. We are waiting for the County Attorney to sign off on the agreement with the Town of Stedman and nothing else can be done until this is accomplished.

Town Clerk Christy Horne noted that the proposal for the new computers has been signed and sent to Southern Software along with the 50% required payment. No word yet on an installation date. She will call next week for an update on an install date and process. A map cabinet for the Town has been ordered from Staples and should be delivered by January 2, 2018.

Chief Stocks was unable to attend. There were a total of 120 calls for the month of November and 11 of these came from the same address on Blawell Street.

The Mayor and the Board of Commissioners discussed options for future sidewalk and drainage projects and the need to identify and prioritize these projects. Commissioner George advised that the DOT Carol Street Bridge project has been delayed until January 2018, but does not have a definitive date at this time. He has also had contact with the DOT that Stedman signs for the new Highway 24 have been ordered and will be available soon. The Mayor and the Board of Commissioners also discussed the Parks and Recreation 2018 Budget for the Stedman community that includes funding for a Splash Pad. They would like to have input from the Town possibly through a survey on the Town's website, the Community newsletter, local churches or the Stedman Recreation Center. Commissioner Raymes volunteered to devise a survey that would determine community desire for a splash pad and or other projects for the Town's benefit.

Village Family Dental is committed to the highest level of comprehensive dental care for our patients.

Pediatric & Orthodontist Dentistry
 Our experienced pediatric dentists and orthodontist are dedicated to the oral health and dental treatment of infants, children, adolescents and children with special needs. We strive to make your child's visit comfortable and a positive experience.

We file all dental insurances including Pediatric Medicaid, NC Health Choice, Delta Dental, and United Concordia. Please visit our website for further information.

Giving You More Reasons To Smile!

They have an on-call Doctor for emergencies!

And evening & weekend clinics!

United Concordia is also accepted!

STEDMAN RECREATION CENTER PROGRAMS

By: John Walker Rea, Recreation Center Supervisor

FRIDAY NIGHT FOOD, FUN & FELLOWSHIP

Looking for a night out with friends? Come to the Stedman Recreation Center for a grand ole' time! All participants must register and registration ends three days before the date of the program! Be sure to mark your calendars so you don't miss out!

March 23; July 13

55+; Fri.; March 16; 6:30 pm; \$5

COOL KIDS COOK!

Aspiring young cooks will love this class! Young Chefs will join us in preparing a variety of foods. Participants will then enjoy their family-style meal. Pre-registration is required.

5-12 yrs; Fri.; March 9; 6:30-8 pm; \$10/child

YOUTH VOLUNTEER OPPORTUNITIES

Attention Middle or High School Students....are you looking for volunteer hours for school. Are you interested in building your resume? The Stedman Recreation Center has volunteer hours for you. We are always looking for volunteers for special events and/or programs around the center. All between the ages of 14-17 are encouraged to contact the center for additional details!

14-17 yrs.; Free

ZUMBA

This unique fitness program is sure to have you grooving along to Latin tunes all while getting a top notch workout. You will get hooked on this exciting hour of calorie burning, body energizing high intense program.

13+; Mon.; 7-8 pm; Fri.; 6-7 pm; \$5/class

CHEER & TUMBLE CLASS

Cheerleading promotes coordination, fitness and confidence. Learn all you need to know to prepare for middle school and high school cheerleading. This class will concentrate on cheer, motion technique, dance, jumps, tumbling and stunts.

4-12 yrs; Mon.; 6-7 pm; \$25/month

SENIOR FITNESS

Are you above the age of 55 and looking to get healthy? The Stedman Recreation center will be offering a FREE workout class twice a week to help you achieve your fitness goals. We will be showing a variety of senior workout videos that you can follow along with!

55+; Tues. and Thurs.; 1 pm; Free

TAE KWON DO

Self-defense offers a physical fitness, self-discipline, academic achievement, fun and excitement in a non-violent atmosphere.
